LYNN NIJHUIS

STUDENT CREATIVE MEDIA & GAME TECHNOLOGIES

EDUCATION

Hogeschool Saxion (Location Enschede)

Bachelor Creative Media & Game Technologies (2024 - now)

- Cum Laude propaedeutic in the first year

Followed subjects such as *Interactive storytelling*, *Game design*, *Animation* and *Sculpting*, of which all subjects are design & art oriented. All of these subjects I've finished with an 8 or higher. I am also currently enrolled in the rigging course, which is going well.

Het Stedelijk Lyceum (location Kottenpark)

VWO diploma (2017 - 2024)

- "Gymnasium" diploma, studied ancient Greek as an extracurricular.
- Relevant subjects I've followed are Computer Science (finished with an 8), where I also had to graphically design a lot, using applications like Photoshop and Illustrator. I also made a 2D animation for this subject. I also followed art and art history, both wrapped up with a 7.

Cambridge English certificate

C1 (2022, Cambridge University Press & Assessment)

PROJECTS

Ticket to Die

UI designer, illustrator, narrative designer & promotional material

My first group project, of which the objective was to simply make a game. In this "Point & Click" game, the objective is to solve a mystery. I was responsible for drawing and designing the UI, and writing the dialogue in the game. I also drew promotional material. Finished with an 8/10

Eekhoorn vs Acorn

UI designer, illustrator, game designer, animator & promotional material

My second group project, where the objective was to create a mobile game, so we had to keep optimization of assets in mind. Again was I responsible for designing and illustrating the UI. I also drew a lot of promotional material in mind, and created a few simple animations for the enemy characters and power-up screens.
